Subject: Another version of the Section 6&7 letter
Attachments: Section 6&7 SOW partial approval 29 November 2016 ver 2.docx

DOH folks,

Steve Linder provided some comments. We changed the approval from a partial approval to a conditional approval. Partial approval implies there are specific sections of the SOW that we are not approving and that is not the case in this instance. We want to approve the plan but on the condition that the Navy makes the changes listed in the letter and enclosure.

Any comments or concurrence?
